Selection Process

We follow 100 percent transparency in the process of identifying and supporting the people who really require assistance in order to keep all the supporters aware of what and how the process flows.

1. Once we receive the request for financial support from beneficiary for education or old age home.
2. We will do scrutiny of the beneficiary request and assess whether the request is genuine
3. If beneficiary request is genuine, we will assess the expense requirement as its monthly, onetime/year and obtain the cost. The assessment report will be maintained for each beneficiary.
4. Parallely, we will keep posted to the supporters about the beneficiary request. (we shall share the assessment details to the supporter/trustee on request)
5. Once the cost is received, we will pay directly to the beneficiary's school/institute (we shall share the cost to the supporter/trustee on request)
6. The details of the beneficiary will kept confidential in order to maintain privacy, it can be shared with trustees on request)
